

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

RICHARD COSGROVE.

Plaintiff,

vs.

GLEN WHORTON, an individual,

Defendant.

CASE NO. 3:06-cv-00703-LRH-RAM

**STIPULATION TO AMEND PRETRIAL
ORDER (DOCKET 20) : ORDER**

The parties stipulate to an order to allow Plaintiff to amend the Pretrial Order to add certain exhibits.

Good cause, and excusable neglect (Fed.R.Civ.P. 6(b)) exists for the requested relief in that until recently preparing for the settlement conference, counsel for Plaintiff did not discover Defendant's responses to Plaintiff's First Set of Request for Production of Documents, served October 22, 2007, which included as attachments various exhibits essential to trial. The documents were not seen when preparing the Pretrial Order. Otherwise, the documents would have been included as Plaintiff's exhibits in the original Pretrial Order. Plaintiff wishes to add all of the documents produced with Defendant's Response to Plaintiff's First Set of Request for Production of Documents

24 Each of these documents are pertinent to the timeline of events that occurred in this
25 case. Each of these documents is important to the jury's understanding of the facts. Each of
26 these exhibits will therefore be helpful to the trier-of-fact in understanding facts that will be of
27 consequence to their ultimate determination of the facts. Therefore, the interests of justice
28 warrant their addition. These documents were produced by the Defendant in discovery, and

1 he and counsel are thus well-aware of them and for this reason Defendant there is no
2 prejudice.
